- 3-The method have **to be working** and you need to prove in your ebook that it has worked for you.
- 4-You **can't share a public method** , if it's on the public section your ebook need to have something new that can maximize the earning.

The best thing about **A2S.in** is that this **ONE** ebook can **ALWAYS** make you **money** , if a new member after 1 year register then he noticed your **ebook** , he need to pay you to see your ebook and you will get the coins every time , even if you're not an **AngeClub** anymore , yeah even if you're only a **regular** member , you can receive coins every time and you can sell them to **AngeClub** members.

To sell your **coins** , you need to go to the **private market**

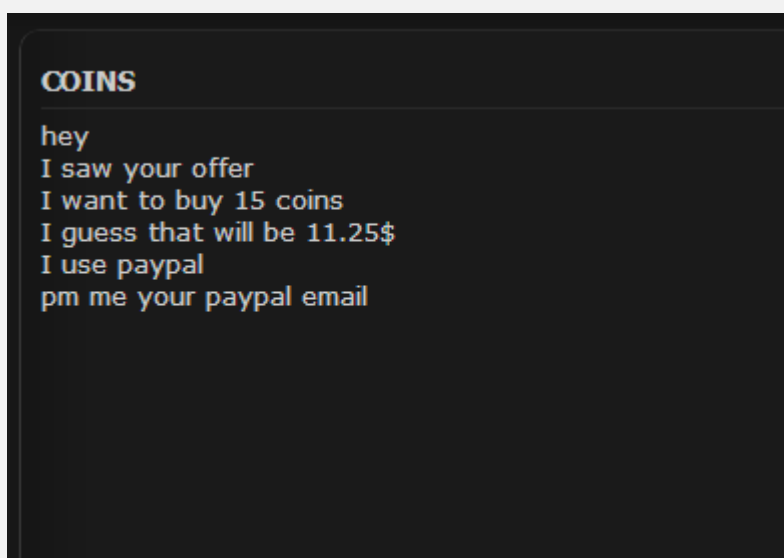

Create a thread there,

Remember: every **1 coin** worth **1.00\$** in **A2S market** (0.80\$ if buying 10 coins) , and members are allowed to sell those coins for any price between **0.60\$ & 1.00\$**. Here is an example:

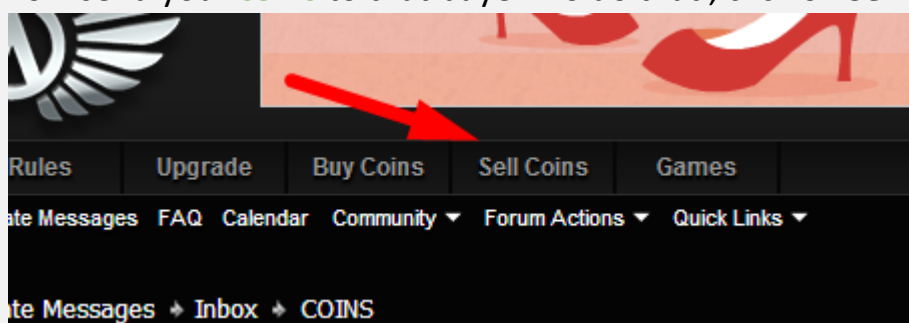

You will get pms from members who are willing to buy **coins** for a lower price .

Wait until you get paid,
